To Whom It May Concern:

It's my pleasure to recommend Natalie Santiago, for the position she is applying for.

I have known Natalie for around six months now, she is a student in my Art 3D Sculpture class.

I have enjoyed my time teaching Natalie and have come to know her as a very motivated student. She is honest, dependable, and hard-working. Beyond that, she is an impressive young lady who is always polite, respectful, and friendly.

Along with her talent, Natalie has always been a team player. She can go with the flow, and always completes each task until it is finished. She is very creative and can think outside the box.

Without a doubt, I confidently recommend Natalie to join your team. As a dedicated and knowledgeable student and an all-around great person, I know that she will be a beneficial addition to your organization.

Please feel free to contact me at gertel@chusd.org should you like to discuss Natalie Santiago's qualifications and experience further. I'd be happy to expand on my recommendation.

Best wishes,

Gretchen Ertel
